Recipient Thanks:

I have endless appreciation for this scholarship because it allows me to focus on school and soaking in everything I can to prepare me for my career as a nurse.

Favorite Experience at SLU:

I am so grateful that SLU has so many clinical sites available to them because I've gotten a broad range of experience, including multiple pediatric hospitals, which have helped reinforce my passion for pediatric nursing.

Hopes and Dreams:

I hope to graduate SLU summa cum laude and start my career as a pediatric registered nurse. At some point in the future, I would love to return to the education side of nursing as a nurse educator or in a similar role.
